Recyclable

One of the leading packaging manufacturers Bukap Ambalaj, has been serving leading companies in the packaging sector since 2012 with its experienced and dynamic employees, customer-oriented approach, and innovative products.

Bukap Packaging provides its customers with the highest level of sustainable service. With regular investments in printed and unprinted PS packaging production, it steadily expands its production capacity and customer portfolio. Exporting a significant portion of its production abroad, primarily to European countries, it makes a significant contribution to Turkey's exports with its production approach in accordance with international quality standards and its fast delivery capabilities.

Operating in line with the principles of quality, efficiency, and customer focus, Bukap Packaging is rapidly progressing towards becoming a global brand in its sector by prioritizing consumer demands with its modern production approach, institutionalization, and branding.

It continuously improves its product range and production capabilities by carrying out new design and mold development studies in line with customer demands.

Bukap Ambalaj's goal is to permanently establish itself among the leaders of the packaging sector in Europe in the medium and long term. To achieve this goal, it aims to expand its customer portfolio and offer products and services that meet quality standards, maintain sustainable growth and a strong financial structure, and continue its stable development in the coming period, as it has done in the past.
